AVON MURDER MYSTERY MONTHLY

Lady, the Guy Is Dead

By Edward Renna

When an eager bevy of beautiful girls suddenly decided they wanted to rent a dead gangster's apartment, handsome Jerry Benedict, a newspaper cartoonist, thought he smelled a rat . . .

UNDERWORLD BEAUTIES

Of course, figured Jerry, the late Frank Hamilton had a rep as a hot sport with the babes; but still—the guy was dead, wasn't he? So Jerry beat the dames to the Greenwich Village flat and found himself snared by the feminine wiles of the most curvaceous underworld beauties he'd ever seen.

THEY WEREN'T EXACTLY LADIES . . .

What happened when an Argentine smuggler, a black-market czar and a big-shot gambler, none of them half as pretty as the girls, moved in to ransack the joint for some mysterious swag, makes *LADY, THE GUY IS DEAD* a tense, trigger-happy yarn that you won't put down until the explosive climax bursts in your face. By then you'll know all about black-haired Stephanie, lemon-haired Patti and taffy-haired Wanda—gorgeous femmes all, and dangerous as dynamite!

LADY. THE GUY IS DEAD

EDWARD
RONNS

A BROADWAY THEATRE
MOVIE

Gamblers, Racketeers, and Gun-Molls — What Were They All Looking for in That Dead Gang Chief's Apartment?

When a sinister assortment of racketeers, obviously phony "couples", and suave international smugglers all decide at the same time that they want to rent the apartment of the late Frank Hamilton, something looked fishy. For Frank Hamilton had just been dragged out of the river, dead. It looked as though he had been murdered, and there didn't seem any good reason for honoring his criminal memory. So newspaperman Jerry Benedict decided to find out what underworld secret was hidden in Hamilton's flat—and rented the place first.

Jerry found he'd moved in on a ready-made murder mystery . . . for the first thing he found was a fresh corpse in the pantry closet. The next thing he learned was that he had guests, uninvited guests, in the form of a woman who called herself his wife, and a group of assorted yeggs and smugglers who were determined to make that phony wife his widow. Jerry was on a spot—and he could get off it only by finding Frank Hamilton's murderer and the homicidal mystery of his estate.

Edward Ronns' detective thriller, *LADY, THE GUY IS DEAD*, is a fast-moving crime masterpiece that will keep the reader guessing until the last exciting page.
